## Code of conduct for St. Dominic's Youth club members

We have rules to make sure that everyone can enjoy themselves and be safe and happy.

1.All youth club members should respect the leaders and other adults who give up time to run our youth club. Without them it wouldn't exist.

2.At the youth club we should be mindful of others, share the facilities and interact in a kind and friendly way with all members.

3.Members must never do, or say, anything which is hurtful, unkind or destructive of a person or of property.

*All members are welcome to give their ideas and suggestions on how to improve the life and spirit of the club.*

### Please note

1.Anyone who cannot function within this simple framework will have to discuss their ongoing membership with the leaders of the youth club. Restrictions may be placed on their future membership.

2.It goes without saying that **possession of any weapon, concealed or otherwise**, would result in members being asked to leave immediately and parents informed. Alcohol, drugs and cigarettes are also forbidden at the club.

3.If at any time the leaders feel a young person is at risk they will take appropriate action and inform parents or guardians.

I have read the above code of conduct and I understand what is expected.

**Important:**

St Dominic's Youth code of conduct could be updated at anytime. Whenever there is a change in the rules and/or disciplinary actions, parents will be made aware via email.

**It is important to note that these rules or disciplinary actions are intended to create an atmosphere conducive to learning about Jesus Christ and how He can transform a life.**
